Professional Experience

BEIJING SHINY GOLD CO.,LTD. | Account Executive, Brand Business Center Oct 2023 – Jul 2024

- Delivered campaign content for brands including Taobao Live, Juhuasuan, Quark, Ele.me and Haidilao Seasoning across Weibo, Xiaohongshu and Douyin, producing 2**00+ assets and planning documents** from creator briefs to publishing calendars
- Supported **80+ KOL collaborations** through briefing, scheduling and content coordination. For Haidilao Seasoning's 618 campaign, coordinated content delivery with 38 local creators, reviewing submissions, following up on deadlines and guiding on-site filming
- Developed social topic ideas for Juhuasuan's New Year campaign; proposed a Jin Jing topic that reached **No. 26 on Douyin's Entertainment chart**
- Adapted content to creator and fan audiences: authored **Ele.me's Xiaohongshu food-creator brief** and used to develop Taobao Live community copy tailored to **30+ celebrities**
- Developed a complete livestream highlight script for Taobao Live, specifying footage selection, narration and timecodes, and coordinated with the internal editing team on video production
- Reviewed **100+ creator scripts** and **100+ videos** against campaign briefs, and coordinated 2 external vendors on production requirements for Juhuasuan's New Year campaign
- Independently developed selected content concepts, activation ideas and campaign mechanics for **6 competitive pitches** within team proposals
- Supported **6+ post-campaign reviews** by compiling readership and engagement data. For Quark Scan King, consolidated performance reporting for a campaign that recorded **110M+ Weibo reads**

Hunan EE-Advertising Co., Ltd. | New Media Operations Intern Jul 2022 – Sep 2022

- Researched middle-aged and older livestream audiences and translated selling points for **30+ products** into host scripts and presentation ideas for Mango Selection
- Developed New Year TVC creative concepts adopted into formal client proposals; compiled skincare industry research and competitor campaign examples to support a Winona pitch

Projects&Research

Provincial-level Innovation and Entrepreneurship Projects for College Students May 2022

- Spearheaded a comprehensive questionnaire survey targeting consumers, devised a strategic plan to meticulously explore consumers' perspectives on e-commerce poverty alleviation and dissect the multifaceted factors that sway their opinions
- Leveraged SPSS software to conduct data analysis, transformed raw data into actionable insights by applying a suite of statistical techniques
- The final paper was released on CNKI as the second author

New Media Communication Workshop

Sep 2019 – Oct 2020

- Collaborated with club peers to conduct detailed analyses of current online hot topics, covering live streaming sales on new media platforms, exploring how influencers and brands boost sales and engage viewers
- Studied cross-border marketing in the new media age, observing how industries utilize digital platforms to expand customer bases
- Operated the workshop public WeChat official account
